

COUNCIL POLICIES AND PROCEDURES

SECTION - H

MISCELLANEOUS

SUBJECT: Wharf Usage Charges Policy Number H - 8

APPROVAL DATE: March 9, 1994

PREAMBLE: The purpose of this policy shall be to identify the policies that will be used by the Municipality of the District of Guysborough for tourists and fishermen wishing to utilize the Guysborough Wharf on either a short or long term basis.

TERMS:

1. There shall be no dockage fee levied on any vessel docking at the Guysborough Wharf regardless of the period of time the vessel is docked provided the owner/operator of the vessel does not require water or electrical services.
2. For a short-term docking, (1 to 2 nights), the owner/operator will be encouraged to make a donation for the use of power and water and said donation will or can be made when obtaining or returning the water key. (Realizing that this would be almost impossible to collect).
3. For long-term docking the owner/operator will be required to pay a weekly assessment of twenty dollars (\$20.00) per week. This levy would be payable upon receipt of the water key.
